Experience You Can Trust

Dolphin Industries Ltd. are custom designers and manufacturers of quality fiberglass products. Dolphin developed and manufactured amusement park rides for some of the largest theme parks in the world, built custom sport fishing yachts ranging in size from 29' to 51' and reengineered structural integrity into various high speed off shore racing powerboats. Dolphin's custom built powerboats have won consecutive world and national championships.

When purchasing a Dolphin Fiberglass pool our priority is in the quality of our product not our marketing. Since 1997 till now our sales and marketing staff have been our customers, and word of mouth marketing has been responsible for our success. Dolphin will be developing a new website so that any person not familiar with our company's accomplishments and products that we offer can familiarize themselves. Dolphin Industries success is based on high quality not high volume.

Dolphin Fiberglass Pools manufacture the best quality fiberglass pools for you and your family. Our gel coat is the highest quality in the industry which makes Dolphin Fiberglass Pools the best pool choice for your backyard oasis.
